

Hilltop Farm  
Hosta Catalog  
2008

# Welcome to the 2008 Hilltop Farm Hosta Mail Order Catalog!

For 25 years we have supplied our customers with well grown plants at a fair price. We continue to add the newest varieties while also offering classic varieties.

We have added some 21 varieties for 2008 (marked with "NEW" in the catalog); varieties available in limited numbers are marked (unsurprisingly) as "limited". "MINI" denotes hostas that grow to 8" or less in height and are especially suited for growing in pots or a rock garden.

Our hostas are delivered to you by priority mail. We grow our hostas in "trade gallon" (6<sup>3</sup>/<sub>4</sub>" diam. × 7" tall) and "trade quart" (4<sup>3</sup>/<sub>4</sub>" diam. × 4<sup>3</sup>/<sub>4</sub>" tall) pots. "G/Q" means that that variety is grown in both quarts and gallons, with the quart plants scheduled to be potted up to gallons in the spring. We will send the nicest, fullest plants regardless of pot size. Although we like to ship the gallon size, sometime the quarts are the better buy. The sizes listed in the hosta descriptions represent the typical size of the variety at maturity; however, actual size will depend on location and growing conditions.

We ship our plants in the pot: they arrive fresher and will establish themselves in your garden faster. Our central location in southwest Missouri allows anyone in the US to receive our plants after only 2-3 days in transit. You will be pleased with the size of our plants and with the condition that they should arrive at your door.

Our commitment to offer disease free plants remains firm. You can purchase our plants knowing that they will thrive problem free in your garden.

Our gardens are regularly open Monday through Saturday, 10:00 am to 7:00 pm, from April 14th to the end of June. Please come visit!

Happy Hosta-ing!

## **Shipping Policy:**

Minimum order \$20.  
All prices include shipping.

We prefer to ship priority mail (2-3 days anywhere in the USA) only on Mondays or Tuesdays so boxes do not lay over in the mail over weekends.

We ship from early April until late October, weather permitting, at your convenience.

When ordering later in the season please contact us about availability before you submit your order.

We are happy to ship internationally, but please contact us by email or phone before placing your order, as due to recent regulations we cannot ship to some countries.

## **Come and Visit!**

We invite you to come visit our greenhouse operation during our spring season.

In addition to hostas, at our farm we offer thousands of other quality perennials, plus a full range of other plants.

We encourage you to visit our extensive display garden, featuring over 800 varieties of hostas in addition to many companion plants.

You may visit us Mondays through Saturdays, April 14 to June 23, from 10:00 am to 7:00 pm.

Open by appointment during summer and fall.

**Please note that we are closed on Sundays.**
